Kennebec Savings Bank's Freeport Location Expands to Full Service

Freeport, ME – Kennebec Savings Bank's Freeport office has expanded to provide a wide range of new products and services in Southern Maine.

In addition to residential and commercial loans, the Freeport office now offers checking and savings accounts, personal lending, online and mobile banking, and more.

"The growth of our Freeport location exceeded our expectations since opening two years ago," said Andrew Silsby, President and CEO of Kennebec Savings Bank. "As a full-service branch, more of our Southern Maine customers can now benefit from the full array of offerings our customers in Kennebec County have come to know and trust for the past 150 years."

Kennebec Savings Bank opened its Freeport location in 2017 as a loan office for residential and commercial real estate. To date, the office has provided customers with nearly \$100 million in loans.

"The greater Freeport community has been incredibly welcoming," said Travis Rowell, branch manager for the Freeport office. "As a relationship-focused community bank, we are eager to provide even more services to help customers meet their financial needs."

To date, Kennebec Savings Bank has contributed close to \$100,000 to nonprofit organizations throughout the greater Freeport area. Earlier this year, the Bank donated \$25,000 toward Wolfe Neck Center's capital campaign to help the organization renovate several of their facilities.

"This support is a strong indication of the Bank's commitment to the communities where they are located," said David Herring, Wolfe Neck Center's executive director.
